

## **Do You Need Spay/Neuter Assistance for Your Dog?**

PAL would be happy to help with spay/neuter assistance for your dog. PAL is working with Willamette Valley Animal Hospital in Keizer, OR. If that will work for you, please send a money order for **\$25 per dog (\$50 per dog if your dog is 100 lbs. or more)** payable to **PAL** to:

**Debbie West  
314 Kanuku St. SE  
Salem, OR 97306**

Please include with the money order the following information:

- **Name**
- **Address**
- **Email**
- **Telephone Number**
- **Dog's Name, Age, Breed, Sex & Weight**
- **How did you acquire your dog? Breeder? Rescue or Shelter? Friend of Family? FREE from Craigslist or online?**
- **How did you hear about PAL?**

When we receive your money order and information above, we will send Willamette Valley Animal Hospital the **o.k.** for the spay/neuter and also send you a confirmation email. You will then be able to make your appointment directly with WVAH. The spay/neuter includes a rabies shot (if needed) so your dog will be ready to license.

- **Licensing your dog is a requirement for using the PAL Spay/Neuter Assistance Program.**
- **If you are a resident of Marion County, you must purchase the license on the day of spay/neuter at Willamette Valley Animal Hospital (\$17 per year for spayed/neutered dog; \$5 for senior citizens 65 years or older) or show proof of current license at the time of the spay/neuter.**
- **If you live in another county, you must license your dog within 30 days of the spay/neuter and send proof of licensing to PAL. If you do not send the proof of licensing within 30 days, your spay/neuter information will be sent to your county's dog control.**

**PAL does not cover any other shots or services.** Any services in addition to the spay/neuter and rabies shot will be your responsibility and will need to be paid at the time of service. You can contact Willamette Valley Animal Hospital at **(503)393-7462** for any information on additional services.

If you do decide to use our services, we would appreciate it if you sent us a photo of your dog so that we may celebrate him/her on our website and Facebook.
